## Under 6 guidelines

Last Updated September 9, 2012

### **JUST A FEW THINGS TO REMEMBER.....**

- Teams may practice on an assigned field one night a week for 1 hour. If field closed due to rain, etc, there are no re-schedules for practices. Goals may not be available.
- U6 division is a co-ed division and may have boy team s playing girl teams throughout the season. If enough teams are available, the U6 coordinator will try and separate boys/girls into separate divisions, but no guarantees.
- There is no jewelry allowed. Casts are allowed but must be covered with a soft wrap (bubble wrap, towel or blanket). We do not have referees in this division; we rely on coaches to handle these guidelines for the safety of every child.
- Reschedules are best handled by being scheduled on one of the team's practice nights on their assigned fields. This should be agreed upon by both coaches.
- New Option: As you organize your "Snack Master schedule" let your parents know that they have the option to buy drink tickets in our concession stand!

### **Guidelines for Play:**

- Coaches are in charge of their own sidelines; please do not allow your parents to get out of control. Please encourage your parents to say only positive things to their child and their team. Under six games should be about learning to love the game of soccer in a positive atmosphere.
- Only one coach is permitted on the field from each team. Please do not let parents interfere with play.
- Teams must be on separate sidelines. Home team is on the North or West side of the field.
- Size 3 ball
- All games are 3 v 3. No Goalies
- Each game has 4-12 minute quarters with 2-minute breaks between quarters. And a 5-minute half time.
- Shin Guards are required!
- NO Slide Tackling allow in U6. No exceptions. No Tolerance!
- No penalty kicks.
- No one (parents/visitors) is allowed to stand behind the goals. (Unless catching balls on a windy day)

### **Important Information:**

Rainout number: 751-7368

**Lightning Detector- Top of Club.** 1 Beep- orange light- *Get off fields.* 3 long beeps- fields are open.
