

NORTH OKC SOCCER CLUB

Welcome to another season at the North OKC Soccer Club. We anticipate it being one of the best seasons ever, and one of the busiest for our club.

As the Referee Coordinator, it is my job to oversee the youth and adult referees at our club. It is my intention to provide the club with the most informed and best quality referees we have available. I pledge to assign the best quality referee for your match, knowing they will do the best possible job they can. So, please try to show patience and support for the difficult job our referees have.

Coaches are responsible for the conduct of everyone on your side of the field, including spectators. You will be called on to control your sideline. If you feel a referee is doing a good job PLEASE LET HIM/HER KNOW. If you feel a referee has done a poor job, LET ME KNOW. ABUSE OF OFFICIALS and/or SHOWING DISSENT WILL NOT BE TOLERATED. I will always listen to your point of view and promise swift evaluation of repeatedly reported officials.

08 and 09 courses will be made available to upgrade our current corps as well as allowing new referees to be trained. Check the website for more updates. (www.nokcsoccer.com).
