

What is Traveling Recreational Soccer?

While North OKC Soccer teams age U4-U10 participate in our inhouse leagues, teams age U11-U19 participate in the Traveling Recreational league. This league is coordinated and run by the Oklahoma Soccer Association (OSA). The purpose is simple; as teams move into older age groups, soccer clubs typically do not have enough teams to form an inhouse league. This provides players on these teams the opportunity to continue to play soccer in a fun & challenging league as well as play against teams from other clubs.

How does it work?

Your child will register to play soccer through North OKC Soccer Club (NOKC) and will be placed on a NOKC team if there is space available. All teams U11-U19 are entered into their correct age divisions of the Traveling Recreational league by their home club. The teams play an 8-10 game schedule with half of their games at home (NOKC) and half of their games away at other OSA-affiliated clubs. Away games might be played at, but not limited to, the following clubs:

Edmond	NW Optimist	Yukon
Mustang	Southlakes	Unity
Midwest City	Norman	Choctaw-Nicomoma Park
Logan County	Harrah	Shawnee
Tri-City	Noble	Stillwater
Enid	Ada	Ardmore
Chandler	El Reno	Tuttle

The Traveling Recreational league does not involve travel to the Tulsa area or out of state.

U11 & U12 teams will play 8v8. U13-U19 teams will play 11v11.

Please feel free to contact NOKC Traveling Recreational Coordinator Sam Warden at 850-8181 or samjayhawk@cox.net with any questions.
