NEED HELP WITH REGISTRATION FEES?

DICK'S Sporting Goods and The DICK'S Sporting Goods Foundation believe in the transformative power of sport to change lives. But not all kids have access to sport because of the cost of registration fees. That is why we've partnered with Every Kid Sports, a 501(c)3 nonprofit, to help provide registration fee support to families that qualify.*

Parents or guardians can apply for assistance at SportsMatter.org/s/registration-fees-and-equipment or by scanning the QR code.

*Qualifying families can apply for up to \$150, once per season (Fall, Winter, Spring) per child, to cover youth sports registration fees.
